My Way (Single)

Artist:
Jennifer Bowen

Non-Airable Tracks:
NONE

Label:
Self-Released

A great single with great vocals! The song is really catchy and the lyrics are worth listening to. It gave me the vibe of an old disco mix with a little bit of techno. However, the song is not overwhelmed with techno beats at all, it has a pretty good balance with the vocals. Keeping an eye out for this upcoming artist!

Sounds Like:
Gretta Ray
